The Town Of Littleton

Greetings:

I am Robert L. Faulcon, pastor of the South Street Baptist Church here in Littleton. I am writing this letter on behalf of South Street and it's members who reside in the Littleton Township. I regret that I am unable to attend the meeting scheduled for July 3, 2018 at 6:30 pm, due to previously scheduled commitments.

However, it is my understanding through third party sources, that the cost of water and sewer services provided by the Town Of Littleton will be increased significantly beginning in August, 2018.

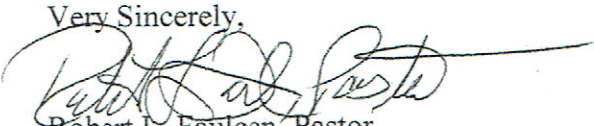

As pastor of South Street Baptist Church which is located in the Town of Littleton, I am gravely concerned regarding mainly two of a number issues:

Issue Number One: The church has not received any prior notice (written or verbal) of a possible increase in the cost of these services, negating a voice in the matter. I and the members of the church who pay for these services feel that imposing any increase in cost without at least being notified would be unfair and unwarranted.

Issue Number Two: Those who are members of South Street and residents of the Town of Littleton are mainly senior citizens and may have difficulty paying a substantial increase in the aforementioned services..

Your consideration concerning this matter would be greatly appreciated by all whom it affects.

Very Sincerely,

Robert L. Faulcon, Pastor

South Street Baptist Church
